Women United is a diverse, passionate membership dedicated to eliminating barriers women and children face in their journey to escape poverty and achieve permanent self-sufficiency. Since 2002, we have been leading the charge in our community and implementing breakthrough initiatives for lasting change.

To inspire women to become powerful philanthropists and committed volunteers, transforming the lives of women and children in South Hampton Roads.
Women United impacts the lives of women and children right here in our community. Our two-generational approach tackles multiple issues facing at-risk women and their families with the goal of moving them out of crisis and into self-sufficiency.

Our nationally-recognized network of women philanthropists unite year after year in an ongoing effort to bring groundbreaking solutions that improve lives. Our $7 million endowment is the largest of its kind in the country, thanks in part to our 10 for 10 program, which challenges 10 women each year to invest $10,000 in breaking barriers for women and children.

Additionally, we've helped launch transformative initiatives based in research and best practices to create change in our community. In 2012, we launched United for Children to align the resources needed. This year, we are funding a pilot program that introduces an innovative model called Mobility Mentoring®, which uses a proven coaching model to move families toward financial stability.

**How to get involved**

You can become a member of Women United simply by choosing to give an annual gift of $1,000+ or more annually.

**Benefits of being a member**

• Be part of a community of like-minded women who contribute their personal passions, best ideas and unique strengths to our mission.

• Volunteer in our community with your family and alongside other members looking to create change.

• Collaborate with key business and community leaders at exclusive events.

• Learn more about critical issues impacting our community.

Help us change the odds for women and children in our community.
