How It Works

A Regional Advisory Committee (RAC), comprised of volunteer representatives from each participating municipality and school system, oversees the United Way and Combined Charities Campaign. United Way of South Hampton Roads is selected by the RAC as the Community Fundraising Organization (CFRO) to manage the campaign. The CFRO will receive undesignated donations to be distributed in a manner approved by the RAC.

About the Campaign

The United Way and Combined Charities Campaign is an effective and convenient way for you to support a wide range of local non-profit health and human service organizations. When you give to the United Way and Combined Charities Campaign, your gift combined with other contributors increases the impact on problems facing our community today. Together, we are providing solutions to families and individuals in need in South Hampton Roads.

Making a Contribution

The best way to help the most people is to mark Community Care Fund on your pledge card and allow your donation to be distributed to participating Combined Charities Campaign agencies based on community needs. If you wish to designate your pledge to a specific agency of your choice, please list the organization(s) and the amount(s) you wish to designate. Agency codes are no longer required.

You may also designate an approved write-in organization not listed in this brochure. All 501(c)(3) health and human service agencies in the Commonwealth of Virginia are eligible to receive write-in designations. If for any reason your designation cannot be processed, the CFRO will make every effort to contact you to enable you to re-direct your contribution. If we are unable to contact you, your designation will be re-directed to benefit Combined Charities Campaign community needs.

Note: Giving is an individual, informed and voluntary act. Contributions are kept confidential. Any actions implying a donation is required are not permitted. Please report any complaints to a RAC representative within your city or public school campaign. Additionally, your payroll contribution may be cancelled at any time by notifying your payroll office in writing.

About United Way and Combined Charities Campaign Agencies

The Regional Advisory Committee reviews and approves eligible charities to participate in the annual campaign. Each agency is screened for fiscal responsibility and promotion of local health and human services. Combined Charities Campaign expenses (13.54%) are shared proportionately by participating agencies based on their percentage of campaign contributions.

If you would like to receive more specific information about agencies in the campaign, contact United Way of South Hampton Roads by calling (757) 853-8500 x100, writing to 2515 Walmer Avenue, Norfolk, VA 23513-2604 or visiting the UWSHR website at www.unitedwayshr.org.
