Message from the Chair

Dear Women United Members and Supporters,

As I reflect on this past year, I am filled with gratitude for the incredible women who make Women United such a powerful force for good in our community.

In 2026, we came together to volunteer, connect, learn, and invest in lasting change. Through signature events such as Stone Soup, Women Connected, Day of Action, and our Spring and Fall Luncheons, we strengthened relationships while supporting opportunities that empower women and families throughout South Hampton Roads. Stone Soup holds a special place in my heart, as it was the event that first introduced me to Women United and demonstrated the impact women can have when they come together in service of others.

We also continued our commitment to Aspire and Strive, helping women build pathways toward financial stability and long-term self-sufficiency. This year, **226 participants received support through our programs, including 22 mothers who graduated and achieved an average income increase of $18,952**, demonstrating the lifechanging impact of our collective investment.

This year was particularly special as we celebrated the 20th anniversary of our 10 for 10 initiative. In honor of this milestone, we exceeded our goal of engaging 20 women, welcoming 24 women to the anniversary class. To commemorate the occasion, we brought together current and former 10 for 10 members for Pitch for a Purpose, awarding a transformative grant that will support innovative solutions for women in our community. Together, these efforts demonstrated the extraordinary impact that is possible when women invest in lasting change.

Thank you for your generosity, engagement, and belief in our mission. It is an honor to serve as your Board Chair, and I look forward to all we will accomplish together in the years ahead.

With gratitude,

Annie Alexander
Chair, Women United Board

Funding Our Mission

The **Women United Endowment Fund (WUEF)** was created to provide long-term and lasting support for the **ALICE (Asset Limited, Income Constrained, Employed)** population in our community, specifically women and their families. Since its establishment in 2005, the fund has reinvested millions of dollars into the community.

ADVANCING SOLUTIONS THAT EMPOWER WOMEN TO TRANSFORM LIVES

2005-2018	2012	2019	Today
Investing In Community	**Launching Collective Impact**	**Supporting Economic Mobility**	**Creating Lasting Change**
Grant support for local nonprofits advancing financial stability, health, and education for women and children.	United for Children launched to strengthen educational outcomes for vulnerable children.	Aspire launched to help women build pathways toward economic self sufficiency.	Aspire and Strive provide Mobility Mentoring-informed coaching for women and families.

Women United fully funds **Aspire** and **Strive** through its 4% endowment draw, partnering with **Catholic Charities of Eastern Virginia** and **ForKids** to deliver Mobility Mentoring-informed coaching. Together, these programs are supported by eight dedicated mentors who help mothers build stability and strengthen their families' futures.

Aspire is a three-year program focused on career development, financial savings and long-term planning, family stability, and strong support systems. **Strive** is a 12–18-month program that helps participants advance housing stability, employment goals, and financial management.

Our 2026 Impact

This year, Women United allocated **$799,946 to the Aspire and Strive programs**, made possible by our annual WUEF draw and your direct contributions to Women United. This significant investment underscores the growing impact and success of these programs. With the addition of another mentor and expanded program capacity, Aspire and Strive will serve **25 additional participants** in the year ahead.

2026 Aspire and Strive Graduates

- **22 mothers** graduated Aspire and Strive
- **$100,822.34 in debt** was paid off by graduates
- **363 goals** achieved toward stability and self-sufficiency
- **14 licenses or degrees** were earned
- Graduates saw an average **$18,952 income increase**

Pitch for a Purpose

To celebrate 20 years of 10 for 10 collective giving, Women United hosted **Pitch for a Purpose**, a special, one-time event that put the power of philanthropy directly in the hands of its members.

More than 25 mission-aligned nonprofit organizations submitted proposals for consideration. Three finalists were selected and paired with Women United member coaches to pitch their ideas to current and former 10 for 10 members, who then voted how the anniversary funding would be awarded.

Thanks to the generosity of the **20th Anniversary Class of 10 for 10**, Women United awarded a total of **$125,000** to organizations advancing opportunities for women and families across South Hampton Roads:

- $100,000 to CHIP of South Hampton Roads
- $12,500 to Safe House Project
- $12,500 to Next Step to Success

We look forward to seeing the impact these investments will have throughout the year. We are grateful to the 20th Anniversary Class of 10 for 10 for continuing a powerful tradition of women investing together to create lasting community impact.

MOTHER'S DAY FLOWERS

For the third year in a row, Women United members came together to raise over $4,000 to gift 79 mothers in Aspire and Strive beautiful bouquets for Mother's Day. Along with the flowers, mothers received handmade cards donated by the Ability Center of Virginia, signed by Women United members.
