Form 990, Part I, Line 1, Description of Organization Mission:
participating area organizations according to donor designations and fund distribution committee recommendations. UWSHR's mission is to bring people and resources together to solve problems too big for anyone to solve alone.

Form 990, Part III, Line 4a, Program Service Accomplishments:
UWSHR is focused on partnering with vulnerable populations in the South Hampton Roads communities. This includes those below the Federal Poverty Level as well as those struggling to make ends meet, who we call ALICE .
ALICE is an acronym coined by a collaborating group of United Ways that stands for Asset Limited, Income Constrained, Employed. The ALICE population represents a growing number of households in our community who work hard and earn more than the official Federal Poverty Level, but less than the basic cost of living. ALICE makes too much to qualify for most government assistance yet struggles to afford life's essentials. Typically, ALICE is one life changing event from falling into poverty.

To best serve these populations and provide cutting-edge, big-picture solutions, we work with a network of partners and a set of tools that help us deliver results effectively and efficiently: Mobility Mentoring is a model developed by Economic Mobility Pathways that we adopted in 2016. We believe that the methods, principles and research of Mobility Mentoring can be applied at varying degrees in diverse settings across health and human services. GHRconnects, the Community Indicators Dashboard, tracks meaningful, accurate and standardized data over time. It gives a clear picture of how our region is performing in a variety of critical areas and drives data-driven decisions to help us turn the curve and improve quality of life. GHRconnects also documents and promotes best practices and serves as a space for community collaboratives to communicate the impact of their work.
Unite Us is a collaborative software that allows us to seamlessly connect people with the services they need in real time. It shifts our work from fragmented services to coordinated care networks.

Results-Based Accountability (RBA) is an approach that encompasses population and performance accountability. RBA provides a simple, structured approach for measuring performance of programs and services. RBA has three types of performance measures: how much did you do? how well did you do it? and is anyone better off? Measures that indicate whether anyone is better off are most important and meaningful yet are hardest to control.

Program Services - Program Initiatives:
United Way of South Hampton Roads has two current initiatives: Mission United and United for Children, which are long-term, multi-sector efforts that focus on specific populations and address entrenched problems by establishing a common agenda and aligning resources and strategy. Mission United is the first-ever coordinated network of community resources and services in Hampton Roads providing relief and

support to veterans, active duty military members, and their families. Utilizing Unite Us technology, we seamlessly connect military-connected individuals and families to services such as affordable housing, job training and healthcare. United for Children exists to give every child in South Hampton Roads the support needed to achieve their dreams. Through cross-sector partnerships with nonprofits, faith-based partners, city governments, school districts and community stakeholders, we have built promising solutions by carrying the voice of our community on the issues that matter most for children.

Program Services - Other Program:
The United Way of South Hampton Roads also provides our certified agencies with the opportunity to join our Health Insurance Program. It helps alleviate some of the financial burden of health insurance costs for smaller nonprofit organizations if they were to obtain their own plan

Supporting Services - Fundraising:
This supporting service category includes expenditures which provide the structure necessary to encourage and secure financial support for UWSHR's to fulfil its mission. The majority of UWSHR's financial support is obtained via the following campaigns:

United Way of South Hampton Roads Workplace Campaign - This is an annual campaign conducted in the work places of our corporate partners to raise funding for United Way, our programs and our certified agencies. Pledges are reported in the consolidated statement of financial position and allowances are provided for amounts estimated to be uncollectible. All contributions are considered available for unrestricted use unless specifically restricted by the donor. When a donor restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the consolidated statement of activities as net assets released from restrictions.

United Way and Combined Charities Campaign (UW/CCC) -This is an annual fundraising campaign for soliciting contributions from city and school employees from the cities of Chesapeake, Norfolk, Portsmouth, Suffolk, and Virginia Beach. United Way of South Hampton Roads is the fiscal agent for the campaign. All pledges received are recorded in separate accounts until distributed to the participating agencies.

The Organization conducts the following endowment campaigns:

Women United Endowment - Women United is a diverse, passionate membership dedicated to eliminating barriers women and children face in their journey to escape poverty and achieve permanent self-sufficiency. Since 2002, Women United has been leading the charge in the community and implementing breakthrough initiatives for lasting change. The corpus of this fund is invested into perpetuity.

African American Leadership Society Endowment - United Way's African American Leadership Society members are leading the way to a brighter future for South Hampton Roads. AALS donors share affinities for philanthropy, leadership and service, and are striving to positively impact our community by increasing the number of African American
