Logging in for the first time:

If your agency is currently a UWSHR Certified Agency, the Primary Contact is the staff member your agency indicated on the most recent UWSHR partner agency survey.

The first time you log in, the password will be *pwd123*. After that, you will automatically be prompted to change your password the first time you log in.

Signing In

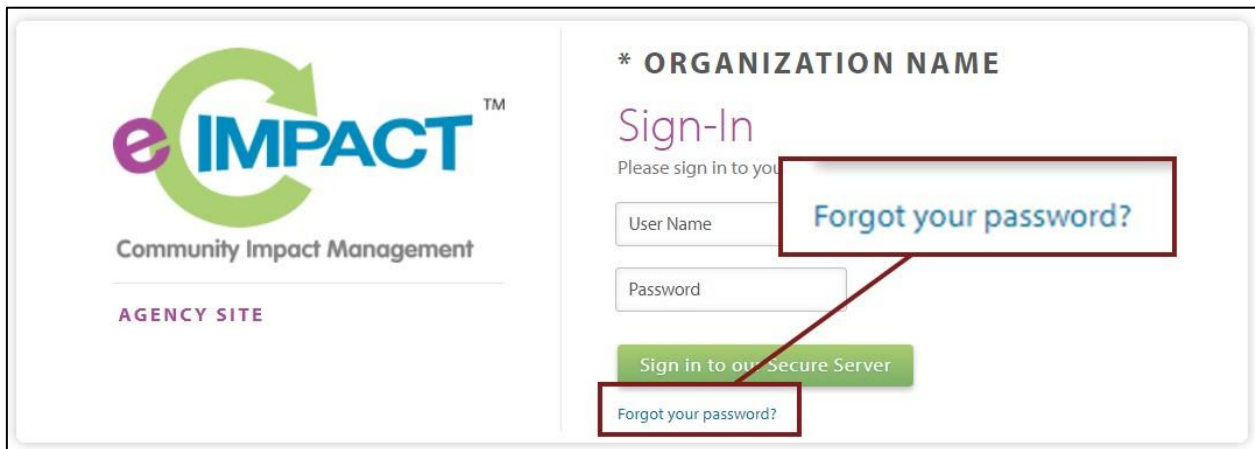

Step 1: Enter your username and password

Forgot Password

Step 1: Click 'Forgot your password?' on the agency login page

Step 5: Answer all qualification questions and proceed to the next page

Note: If your agency passes the initial qualification questions, you will move forward to confirm your registration. In the event your agency does not qualify, you will be provided information on who to contact with any questions.

The screenshot shows a web form titled "Agency Qualification Form". At the top, there is a light blue banner with an information icon and the text "Fields marked with an * are required fields." Below this, the section "Agency Requirements" contains three questions, each followed by a dropdown menu:

- Question 1: "The Organization's financial records are kept and maintained according to generally accepted accounting standards.*" with a dropdown menu.
- Question 2: "This Organization takes reasonable, affirmative steps to ensure that any funds or resources distributed or processed do not fund terrorism or terrorist organizations.*" with a dropdown menu.
- Question 3: "The Organization is principally based (or maintains a sizable amount of operations) within the 10-county region.*" with a dropdown menu.

At the bottom of the form, there are three buttons: "Previous" (green), "Continue" (green), and "Cancel and Return to Login Page" (with a red error icon).

Step 6: Review all agency information entered and click 'Complete Registration'

Once your registration is completed, you will be able to print your confirmation page.

If your agency passes the initial qualification questions, your agency will be auto-approved for registration, and you will have access to e-CImpact immediately.
